## **Consent for Treatment**

If I experience any pain or discomfort during this session, I will immediately inform the practitioner so that the pressure and/or strokes may be adjusted to my level of comfort. I further understand that massage/bodywork should not be construed as a substitute for medical examination, diagnosis, or treatment and that I should see a physician or other qualified medical specialist for any mental or physical ailment of which I am aware.

I understand that massage/bodywork practitioners are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the course of the session given should be construed as such. Because massage/bodywork should not be performed under certain medical conditions, I affirm that I have stated all my known medical conditions and answered all questions honestly. I agree to keep the practitioner updated as to any changes in my medical profile and understand that there shall be no liability on the practitioner's part should I fail to do so.

I understand that any illicit or sexually suggestive remarks or advances made by me will not be tolerated and result in immediate termination of the session, and I will be liable for payment of the scheduled appointment. I also understand that the use of draping during the massage session is non-negotiable. Understanding all of this, I give my consent to receive care.

## Office Policies

It is my intention to provide guests with a professional and therapeutic massage. I strongly believe that your time is as valuable as mine and I will make every attempt to be ready for your appointment at the scheduled time. In my commitment to provide a unique and outstanding experience to all clients and out of consideration for therapist's time, the following policies have been adopted:

### No Shows

Clients who fail to show for massage appointments will not be given a full or partial refund. If paying with a gift certificate, it will become forfeit.

### Cancellation

A **48-hour** notice is required for a cancellation, or you will be charged in full for the appointment. Payment is due before your next appointment.

### Appointment Changes

A **48-hour** notice is required for any changes to your scheduled appointment date, start time, or duration. If you shorten the duration at the start of your massage session you will be charged for the duration originally requested. (ie, If you book a 90 minute session but shorten your duration to a 60 minute session at the beginning of your treatment, you will be charged for the entire 90 minutes.) If you are unable to keep your originally scheduled appointment, and a request for a change is received less than **48 hours** prior to your session, you will be charged in full for the appointment. Payment is due before your next appointment.

### Tardiness

Please arrive on time for your appointment. Appointment times are as scheduled and cannot extend beyond the stated time. Late Arrivals will result in a shortened massage session.

### Sickness

Massage/bodywork is not appropriate care for infections or contagious illness. Please cancel your appointment as soon as you are aware of an infectious or contagious condition. If it is within the 24-hour notice period, the cancellation fee may be waived.

### Informed Consent

Your treatment plan will be discussed with you prior to beginning the massage. I will only use techniques within my scope of practice. It is your responsibility to communicate with me if you require changes to pressure, technique, or emollient. It is also your responsibility to inform me of illness, changes to your health or medication, accidents, injuries, or anything that may affect your ability to safely receive massage.

### Release of Medical Records

Your signature below authorizes the release of all your medical records on file in this office, for the purpose of processing your claims, to the following: your attorney, the healthcare providers attending to this condition, and the insurance case managers. Medical records will not be edited unless otherwise stated in an exclusive release of medical records signed through your attorney.

### Refusal of Service

Massage therapy is strictly therapeutic and therefore strictly non-sexual. If you behave inappropriately during the session, I have the right to end the massage and you will be charged the full amount for the appointment and criminal charges may be filed. Therapeutic massage is not a replacement for medical care, diagnosis, or treatment. Some kinds of massage may be inappropriate for certain medical conditions, and you should inform me of your medical history to the best of your knowledge. If you omit anything that leads to negative results, it is your responsibility. I reserve the right to refuse to provide services to any person at any time. Should you be denied service you will be reimbursed for any unused services that have been paid in advance.

Your signature below signifies acceptance of these policies.
